One Words Substitution

In your examination, a question is asked to write one word for a group of words. This is called one word substitution or one word for group of words. Every language has some words which can be used as one word for a group of words, a long sentence, clause or part of sentence. Here are given one word for sentences or group of words that have come in your text book. You are advised to study and learn them carefully.

A place where students go for study— School
