

Evaluate

Objective Type Questions

A. Tick (✓) the correct answer.

- This sense organ helps us to feel things.
 - Eyes
 - Ears
 - Nose
 - Skin
- Many similar cells join together to form a/an _____.
 - tissue
 - organ
 - organ system
 - organism
- This organ system is responsible for throwing waste out of the body.
 - Circulatory
 - Muscular
 - Excretory
 - Reproductive

B. Unjumble the words to get the answer.

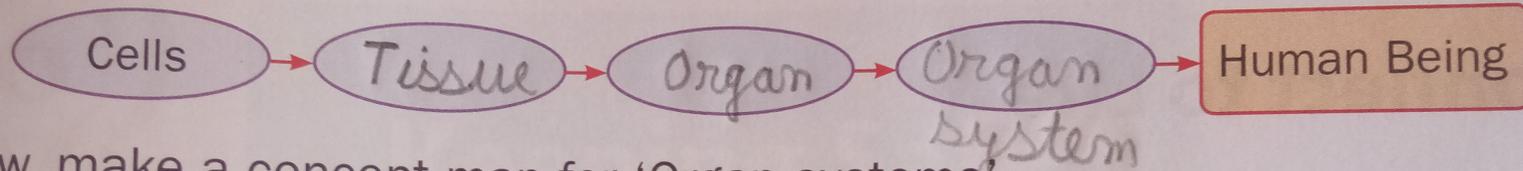

- The water from food is absorbed in this organ. (RLAGE SNITETINE) **LARGE INTESTINE**
- We chew food in this organ. (OMHTU) **MOUTH**
- Churning of food takes place here. (OMHCSTA) **STOMACH**

C. Read the clues and find the matching organ. One has been done for you.
